MEDICATION

Students are prohibited from carrying or self-administering any medication whether it's prescribed or over the counter while participating on a school sponsored trip as per BOE Policy #5330. All such medication must be carried and administered by a Board approved licensed nurse. However, New Jersey law provides that students are permitted to self-administer medication only "for asthma or other potentially life-threatening illnesses or a life-threatening allergic reaction" N.J.S.A. 18A:40-12.5 (i.e. epi-pens or inhalers). The parent/guardian of the student must provide the school nurse with a written authorization from the student's physician and together develop an individualized healthcare plan. Therefore, a student may only mediate self under these limited conditions.

Please check the applicable space. If necessary a school nurse will contact you regarding the specific details of your child.

_____ My child/ward does not need any medication administered while on the trip.

_____ I will provide the required documentation to the school nurse in order for my child/ward to self-administer prescribed medication such as an epinephrine auto-injector and/or asthma inhaler.

_____ My child carries an epinephrine auto-injector.

_____ I will need the medication/s listed below administered to my child/ward by an approved licensed nurse while on the trip. I understand my child/ward's physician must complete the enclosed medication form.
