<u>Health Office</u>	Extension 2245 (school year & <u>over summer</u>)
<u>Melissa Molloie RN</u>	Extension 2307
<u>Deidre Golden RN</u>	Extension 2218

Medications and health concerns should be discussed with the nurse prior to the end of the school year (June 17th, 2019**).**

Medications with appropriate forms may be brought in by a parent before the end of the school year as well.

For any questions or changes in health status or medication that occur over the summer, parents may leave a message at 856-983-5140, Ext 2245. We will be checking messages weekly and will respond as soon as we are able.

The **August 14th meeting is an overview meeting only. It is not possible to discuss individual health concerns due to time and privacy issues.**
